About the project

KA1 SPORTIVE will take place **from the 23rd to the 28th of April 2023 in Madrid**.

Its main idea is to create a space for youth exchange where youths can refer to sport in relation to social and cultural. Therefore, **the aim of this project is to understand how sport is a channel of inclusion and integration for all social groups**. The project aims to spread and communicate a social message, in order to build a space where to promote an intercultural-dialogue. With this project, **we want to support an open and intercultural dialogue between young participants from different countries**, allowing them to share stories, experiences and thoughts on the current situation

We've organized a series of activities, all related to the world of racial discriminations and xenophobia, that will be realized in a recreational environment, open spaces and outdoor places; all of them connected with the non-formal education of young people.

About the venue

Madrid is a **very open city** that attracts a lot of people from outside, **its great ambiente**, the always crowded streets and squares, terraces and bars have made it one of the most exciting cities across Europe. This trend leads from the Eighties with the so-called "**Movida**", living day and night any day of the week.

Madrid is also **home to the greatest museums** in Spain, first of all the Prado Museum, considered the largest art gallery in the world and for many experts also the place with more masterpieces per square meter, next to it you can find the Reina Sofia Museum and the Thyssen Bornemisza, and together they form the named Art Triangle. Walking through the animated Gran Vía Street, the Plaza Mayor, the Royal Palace or the Debod Temple, they make it inimitable!

Besides, Madrid is one of the **most liveable cities in the world**, being the safest of Spain.

When you exit from the metro, Way Hostel Madrid is at 100 meters walking, as you can see from the map.

If you want, another option (that maybe could have longer times) could be taking the bus number 200 from the airport to Avenida de America stop.

From there, take the metro line number 6 (the grey one) to Cuatro Caminos stop. Then, from Cuatro Caminos, you have to take the metro number 1 (the light blue one) to Tirso de Molina stop. Finally, you can walk 100 meters and arrive at the Way Hostel Madrid.

Well, in order for us to get know each other better and, most of all, to discover more about our different countries, we will set up cultural events to celebrate our diversity.

This means we will have **8 cultural events** (each of them dedicated to one project participant country) to present some characteristics of our country and culture, which we find relevant to present to others.

We are talking about food, music, dancing, drinks, images, videos, maps, etc. that may allow us to find out more about your country.

So please don't forget to bring **your flag** and other things that may allow us to see, listen or taste your culture (**typical food, drinks CD or pendrives with music typical for your country, quiz about your country, pictures, maps, and brochures about your country**).
